Class History

The Class of '67 entered N.R.H.S. in 1961, as a group of gagging seventh-graders. We were fortunate to have had our Junior High classes integrated in a High School atmosphere, for when we reached eighth-grade, we felt like veterans.

Our freshman year was the first year of hard work. This was also the first year we could participate in team sports. On our planning agenda were both a dance and a carwash, neither of which proved to be very successful. In the One Act Play competition, our entry was "Life of the Party". Ed Kinder won the award for Best Actor.

As sophomores, we were even more determined to make this a good year. Plans were made for another carwash, but our success was no greater than in the previous year. The Drama Club, with Peg Parkington, who had won the Best Actress Award, entered "The Mad Woman of Chaillot" in the State Drama Festival preliminaries, where it won first prize.

We returned as Juniors to the toughest year in our high school careers. Our post-graduation plans were upon us, and some of us began taking PSAT's and College Boards. Students having both Mr. Petten-gill and Mr. Hutchings were in double jeopardy. Our first full-fledged fund-raising activity was a successful bottle drive. Activity continued with a record hop, and finally, our Junior Prom. Preparations for "Over the Rainbow" were begun in late February, and Friday, May 13, was a grand night. Franni Turner was chosen as queen of the Junior Prom.

Class History

We returned as "Mighty Seniors", and after awhile, we began to feel the part. This was The Year That Was; not only for our class, but for all of Nauset High. Mr. Flebotte, our new principal, arrived, and Mr. Ellis was elected our new Superintendent. The American Field Service Club welcomed Nauset's first foreign exchange student, Wilma Guedes, from Brazil. The Journalism Club was formed. We chose our first Junior Miss, Donna Perreault. The basketball team won its first championship. Tennis became a varsity sport.

Our Senior Prom, "Winter Carnival", was indeed a night to remember. Sandy Garfield was radiant as our queen.

As we look back over the year, we find some incidents unforgettable. Remember when:

Jo Higgins wagered she wouldn't speak to boys for a month?

Bill Cosby was the order of the day in Mr. Kelly's classes?

Three brave souls went rabbit hunting outside Advanced Biology Class?

Two Nauset effigies were hung before the Harwich game, but not by Harwich?

"Stanley the Snowman" popped up overnight in Mr. Smith's driveway?

The baseball team held spring training in January?

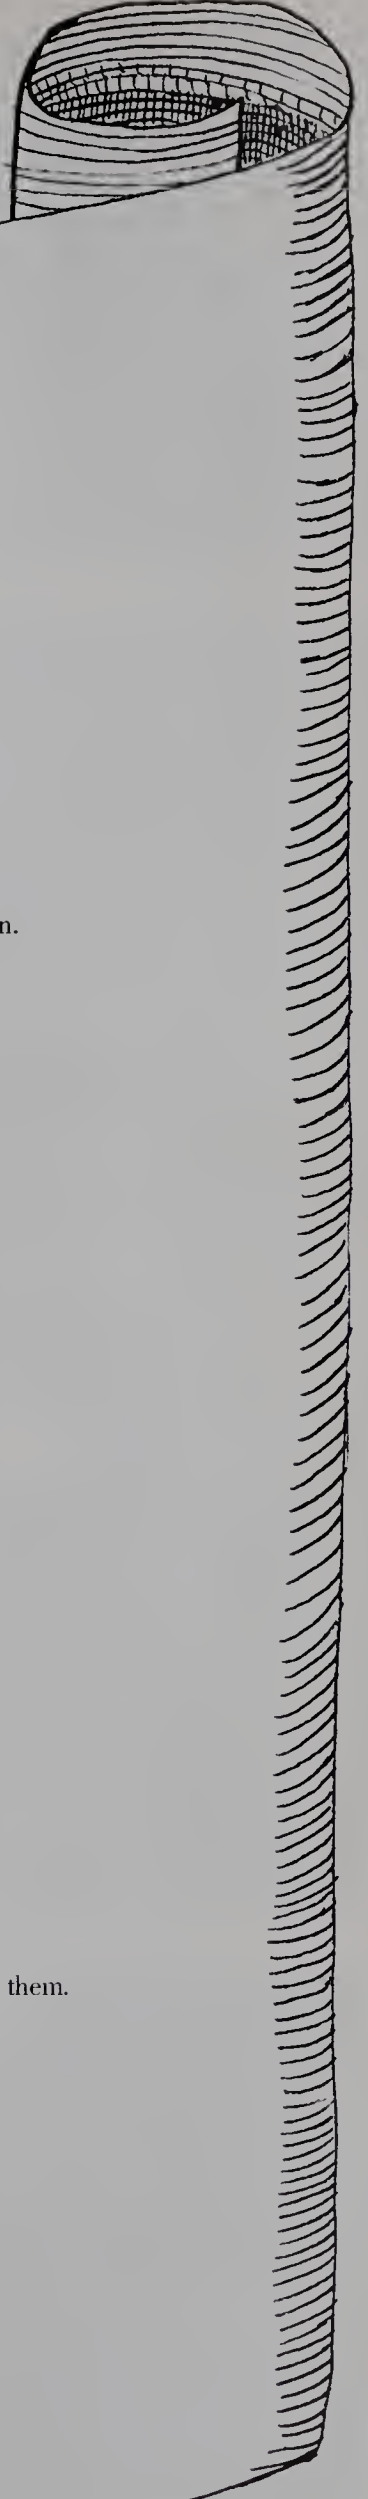

Our final weeks at Nauset were hectic ones which included the Class Trip, Banquet and, of course, Graduation. As the end of this stage of our lives approached us, we realized all that we had gained from N.R.H.S.

As Juniors, we are nearing the end of our years at Nauset. In the fall we receive our class rings, signifying that we are members of the "elite group". We also get a taste of PSAT's. We are kept busy with fund-raising projects in preparation for our senior year. By mid-winter we find that basketball, sock-hops, and Chemistry don't mix.

As we struggle into Spring, we begin work on our Junior Prom, and in May we hold the BIG social event.

Before we realize it, June is here, and we attend graduation to see the seniors leave Nauset, knowing that this time next year, we will be marching down the aisle in their place.

This year was our first at Nauset. Many new things were introduced to us for the first time. The election of class officers was a new experience, and we all thought it was a lot of fun to hear different people give their speeches and then elect the ones we wanted the most. Also, we were able to go to our own dances. One of our dances was put on for us by the Seniors in late October and everyone had a lot of fun.

"A Family Piece"

"Well, I never! . . ."

One Act Plays

The annual One Act Play competition was held in March. Scenes from original plays by Nauset students are shown here.

"Tamaril's Interlude", by Mary Richman, takes place in a Greenwich Village coffeehouse where Tamaril gets her first real glimpse of the Beat world, and of herself.

"The Curator", by Pat Edmunds, is a Poe-like chiller about a crazed caretaker in a Wax Museum. Surrounded by the figures of infamous murderers, he finds it hard to sleep at night — not without good reason.

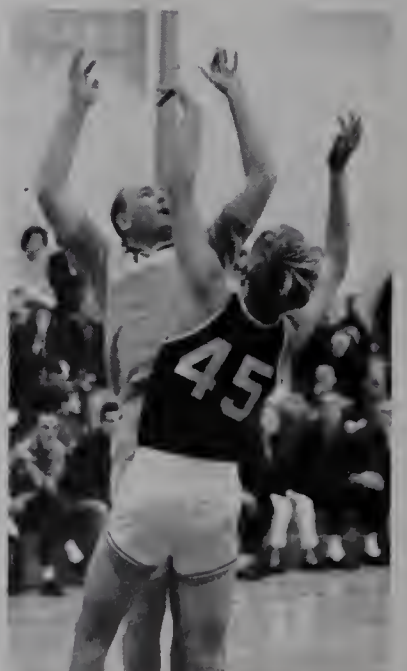

"The Madison Avenue Muse", by Bill Phillips, is about a struggling writer who invokes divine power to help him finish a novel. Answering his call is a kooky Muse, whose antics make him think twice about the value of immortality.

This season the Warriors were led by a stalwart defense and a good offense. Scott Nickerson led the team in scoring with one goal and nine assists. Brian Lyons had seven goals to lead the team in goals scored followed by Luther Eldredge with five. Goalie Ken Walsh, Fullback Ron Smith and Halfback Malcolm MacPherson were outstanding members of Nauset's potent defense.

HIGHLIGHTS OF THE SEASON

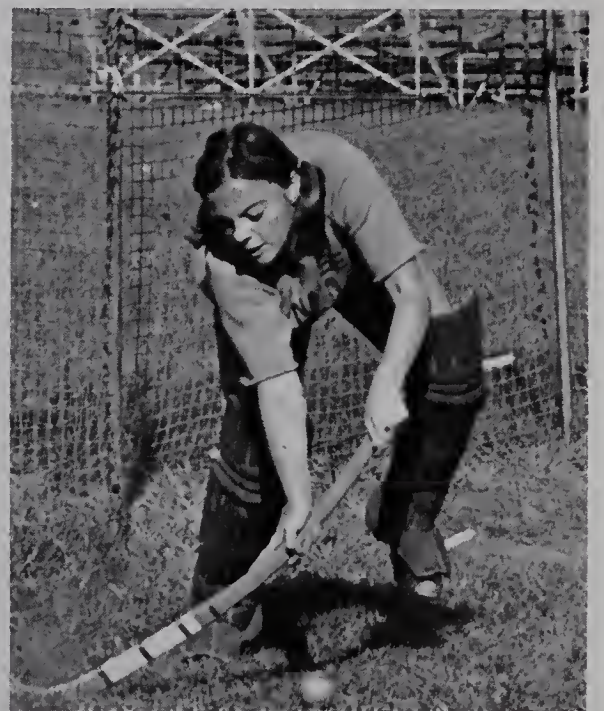

We'll never forget Ellen at Sandwich, her first game in the nets, when she saved the goal by kicking the ball 40 yards. And Marilyn and Marion, our fullbacks, who, donned with ace bandages, called to one another "Don't forget to stop it!" Our famous halfbacks, Sue, Sandy, and Kathie, who, with pig-tails flying, backed up the fullbacks as well as the forward line.

Bea, our high scorer, with 12 goals to her credit (second highest in the league), and Bonnie, who scored the winning goal in the last quarter at Provincetown. That goal broke the ice and kept us in the ranks of undefeated. Nancy, who, game after game, took the ball down the field and with her stick-work, set up the ball for many a goal; and Marcia and Karen, who held up the right side of the forward line.

We'll always remember our tri-captains, Sandy, Marion, and Kathie, whose good sportsmanship and spirit kept the team's morale high. Our substitutes and managers were also loyal members of the team.

HIGHLIGHTS OF THE SEASON

The heavily favored Warriors started the season off in a strong fashion, winning five of their first six non-league battles. The team began its league play off on the right foot by downing Chatham, 88 to 52. The winning streak wasn't to last long; Martha's Vineyard and Harwich both edged the Warriors by two points.

Back to the winning ways, Sandwich, P'Town, and Chatham became victims of the potent Nauset offense and tight defense. Martha's Vineyard and Harwich were next, the two most important ballgames of the season; Nauset, led by Bob Jones topped both of them, to tie for the league leadership. With Sandwich and P'Town falling victim to the powerful Warriors, Nauset clinched a three-way tie for the first Cape and Vineyard League title.

HIGHLIGHTS OF THE SEASON

CAPTAINS: Bea Creighton and Sandy Garfield with "Doc".

The Nauset Warriorettes started the season well by defeating three of the four non-league opponents.

The spirited Warriorettes came back from vacation to be defeated only three times in ten league games for a second place finish, two games behind first place Provincetown.

Most of these victories were due the tough zone defense employed by guards Ellen Crocker and Kathie Norgeot, and Bea Creighton and Karen Bassett. Bea was also the main play-maker, while Karen and Marilyn Packett were high scorers for this profitable season, followed by forward, Sandy Garfield.

In the next seven games, Nauset won three and lost four, finishing the season with a six and five record over all, and a five and three league record.

Sophomore third baseman, Scott Nickerson lead the team in hitting with a .415 batting average, and was also the team's most valuable player. Gary Joseph came through with a fine four — two record. Editors' Joys

Getting out this Nauset Tides is no picnic.
If we print jokes, people say we are silly.
If we don't, they say we're too serious.
If we take ideas from other yearbooks,
We are too lazy to think them up ourselves.
If we don't, we are stuck with our own stuff.
If we stick close to the job all day,
We ought to be out taking pictures.
If we do get out with our cameras,
We ought to be inside copying layouts.
If we don't have a black and gold cover,
We don't appreciate tradition.
If we keep the school colors,
We are old fashioned.
If we make a change in someone else's write-up,
We are too critical.
If we don't we are asleep.
Now, like as not someone will say,
We swiped this from some other yearbook,
And we did.

We wish to thank Mr. McCaskie, our advisor, for his patient prodding throughout the year; Mr. Owens, for his voluntary services and opinions on artwork; Mr. Craig, for his always ready camera; The Cape Cod Standard Times and the Oracle, for their aid in procuring pictures; Mr. Devoe, our Taylor Representative; and the entire administration and faculty for their cooperation with the loony antics of the 1967 yearbook staff.
